

WORKSHOP INVITATION FOR STUDENTS AND TEACHERS WHO WANT TO PARTICIPATE IN THE 2015 CT SCIENCE & ENGINEERING FAIR!

I COULDN'T THINK OF A SCIENCE FAIR PROJECT,
SO I JUST REINVENTED THE WHEEL.

Improve the quality of your project by
working with a Scientist or Engineer.

AdvisorConneCT

Learn the ropes of the Connecticut Science and Engineering Fair and *then*
Work one-on-one with a scientist or engineer to discuss your project.

A 1.5 hour workshop followed by time with scientists and engineers
All participants can schedule a 20-minute time slot to work
face-to-face with a scientist or engineer.

Quinnipiac University, Hamden, CT
Mt. Carmel Campus, Mancheski Executive Seminar Room
November 22, 2013
9 am – 12 noon

Facilitated by:

Dr. Frank LaBanca, Vice-President, Connecticut Science & Engineering Fair

The Process:

- Go to our website: ctsciencefair.org/category/workshops
- Register yourself and identify your area of interest.
- Bring your questions, ideas, or even resources to share and get feedback.
